Grab the Mic

Mindless Self Indulgence

(let's see your little penis)
(it's a very little penis and i'm very happy to say it's a little penis come to visit you today)

I was so small and you tried to take it
Yes I was so... small and you tried to take it
na na na I was so small and you tried to take it - to take it
but now - I grab the mic and then I let my rhymes flow
I grab the mic and then I let my rhymes flow
Like you, I need to burn, we all know who I'm dreamin of
(poor to the kitty)
now it's so small and you tried to take it
now it's so small and you tried to take it, to take it
but now I grab the mic and then I let my rhymes flow
I grab the mic and then I let my rhymes flow
like you I need to burn, we all know who I'm dreamin of
everything on is new again and again and again and again
now - I grab the mic and then I let my rhymes flow
I grab the mic and then Ilet my rhymes burn
