

# Greatest Love of All

Mindless Self Indulgence

I believe the children are our future  
Teach them well and make them see the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used to be

R: I decided long ago, never to walk in anyone's shadows  
If I fail, if I succeed  
At least I'll live as I believe  
No matter what they take from me  
They can't take away my dignity  
Because the greatest love of all  
Is inside of me, me, me, me, me  
I found the greatest love of all

Everybody searching for a hero  
People need someone to look up to  
I never found anyone who fulfill my needs  
A fucked up place to be  
So I learned to depend on me

I decided long ago, never to walk in anyone's shadows  
If I fail, if I succeed  
At least I'll live as I believe  
No matter what they take from me  
They can't take away my dignity  
Because the greatest love of all

I believe the children are our future  
Teach them well and let them lead the way  
Show them all the beauty they possess inside  
Give them a sense of pride to make it easier  
Let the children's laughter remind us how we used to be

R:

And if by chance, that special place  
That you've been dreaming of  
Leads you to a lonely place  
Find your strength in love
