

## Lights Out

### Mindless Self Indulgence

Who the hell said any of you get a taste stupid?  
Do you ever wanna get up all in your face?  
You better take it  
And nothin' you can do could make me ever go away  
Fake it  
Poor baby I'm gonna make it all okay

R: Punch your lights out  
Hit the pavement  
That's what I call entertainment  
Causin' problems makes you famous  
All the violence makes a statement  
Punch your lights out  
Hit the pavement  
That's what I call entertainment  
Causin' problems makes you famous
