Masturbates

Mindless Self Indulgence

Death with the ba... ba...
Death with the ba... ba... right gun
Chuck it
Television is good but it is not the best
Cause nothing beats the feel of your fucking breasts
And so big and so bad and so large

Masturbation is good but it is not the best
Cause nothing beats the touch of your clitoris
It's so wet and so round and so deep
Death with the right gun
I'm thinkin' i'm uh masturbates oh no
Nothing but sweat inside my hands

Masturbation is good but it is not the best
Cause nothing beats the feel of your giant ass
It's so big and so round and so fat
