

## Pay for It

### Mindless Self Indulgence

I know I'll feel this way forever  
I know no one will beg to differ  
Goodbye, so long, it's been a pleasure

Repeat this when I say that  
I don't want you to hate me, I want you to want to hate me  
I don't want you to date me, I want you to want to date me

I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch

Never gonna be perfect  
(No, never gonna be, never good enough, not for me)  
I know I'll feel this way forever  
(No, never gonna be, never good enough, not for me)  
I know no one will beg to differ

Repeat this when I say that  
I don't want you to hate me, I want you to want to hate me  
I don't want you to date me, I want you to want to date me

I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch

Never gonna be perfect  
(No, never gonna be, never good enough, not for me)  
I know I'll feel this way forever  
(No, never gonna be, never good enough, not for me)  
I know no one will beg to differ

Too much of one thing never hurt me, baby  
It is aggressive, that's the message we send

I don't want you to hate me, I want you to want to hate me  
I don't want you to date me, I want you to want to date me

I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch  
I wanna pay for it, all this shit  
I wanna pay for it like a god damn son of a bitch
