## Mindless Self Indulgence

Now's the time for you to rip me  
make yourself  
Feel like a

Oh my god you're doing it  
No, no, no it's like

1,2,3,4

We will be exonerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later  
Much, much, much later

Now's the time for you to rip me  
make yourself  
Feel like a

Oh my god you're doing it  
No, no, no it's like

lick my fat ass  
We will be exonerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later

Much, much later

We ripped everything we know from everybody anyway

Now, now, now we've gone and lost our war tank  
I wanna -- in  
Yo I wanna -- in

1,2,3,4

We will be exonerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later
