

# Shut Me Up

## Mindless Self Indulgence

The bass, the rock  
The mic, the treble  
I like my coffee black  
Just like my metal

The bass, the rock  
The mic, the treble  
I like my coffee black  
Just like my metal

I can't wait for you to knock me up  
In a minute, minute  
In a fuc\*in' minute

I can't wait for you to knock me up  
In a minute, minute  
In a second

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up

The bass, the rock  
The mic, the treble  
I like my coffee black  
Just like my metal

The bass, the rock  
The mic, the treble  
I like my coffee black  
Just like my metal

I can't wait for you to knock me up  
In a minute, minute  
In a fu\*king minute

I can't wait for you to knock me up  
In a minute, minute  
In a second

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up

I don't find it funny right now (right now)

Just want my ma-ma-ma-money right now (now)  
I'm on my way to the party right now (right now)

I don't find it funny right now (right now)  
Just want my ma-ma-ma-money right now (now)  
I'm on my way to the party right now (right now)

Because the break, the break, the break

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up

I can't wait for you to shut me up  
And make me hip like badass  
I can't wait for you to shut me up  
Shut it up
