

Tight

Mindless Self Indulgence

Yeah - Yeah - Tell me what you want me to be
What you want me to be
What you want me to be - Ooh

I am tight - Yeah - Fuckin' right - Ooh
Tell me what you want me to be
What you want me to be
What you want me to be - Ooh

I could be the one turned on
All you niggas in the back, come and jack me off
Yeah - So I could be the one that you wanted - You want
I could be the one that you want
So what the fuck y'all - Get down

Yeah - Ooh - I am tight - Yeah - Fuckin' Right - Ooh
Tell me what you want me to be
What you want me to be
What you want me to be - Ooh

Now I could be the one on time
I'm the one who isn't really there
I am the light, dischord, and rhyme
I am the one who isn't anywhere

I am tight - yeah - fuckin' right - ooh
Tell me what you want me to be
What you want me to be
What you want me to be - Ooh

I could be the one turned on
All you niggas in the back, come and jack me off
Yeah so I could be the one that you wanted - You want
I could be the one that you want
So what the fuck y'all - Get down - Get down
