

# Come Softly

Mind's Eye

I want, want you to know  
That I, I love you so  
Please hold, please hold me tight  
All through, all through the night

One day you're standing there  
With that face, how could I not stare?  
You must be from above  
So come here, cus' he ain't showin' you love, oh no

I've waited, waited so long  
For your kisses and your love  
Please come, come to me  
Wanna make you my baby

Please girl he's making you hurt  
Come here, let me show you your worth  
I know what we could be  
So baby, come oh so softly

Come softly, darling  
Come softly, darling  
Come softly, darling  
Come softly, darling

Come softly, darling  
Come softly, darling  
Come softly, darling  
Come softly, darling

I need you girl, woah

(Come softly, darling)  
(Come softly, darling)  
(Come softly, darling)  
(Come softly, darling)
