

Exit Love Machine

Mind's Eye

I'll tell you this
I don't know what's gonna happen man
But I wanna have my kicks before the whole shithouse goes up in flames, alright?

Something's gotten into you
Don't worry I knew you made it through
And now that it's all over if
Do you still believe in lovin'?
Cause I love you babe
And I don't know how to tell you

There's no inbetween
Exit love machine
Exit love machine
Something to achieve
Exit love machine
Exit love machine
Exit love ma-

Now that we have gotten through
There's no need for feeling blue
So honey, give me all your love
Forget the [?]
There's no looking back

Never inbetween
Exit love machine
Exit love machine
Never inbetween
Exit love machine
Exit love ma-

There's no looking back

(Oh, oh oh oh)
Never inbetween
Exit love machine
Exit love machine
Exit love machine
Never inbetween
Exit love machine
Exit love ma-

So guys
I think we made it through
