

I know she only wants to hear my head  
Well she wouldn't get it if she did  
I'm only sayin' things she wants to hear  
But I meant it when I said it

If you want me  
Start by letting me know  
I keep wasting my time  
You keep letting me go  
You say I'm lovely  
I bet you're changing your mind  
You say you love me  
But it's easy telling me lies

Now we're talking in the street at night  
And she's giving me her peace of mind  
She says what I don't wanna hear  
But I think she meant it when she said it

If you want me  
Start by letting me know  
I keep wasting my time  
You keep letting me go  
You say I'm lovely  
I bet you're changing your mind  
You say you love me  
But it's easy telling me lies

Please, don't change your mind  
Please, don't change your mind  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh
