

## long nights

Mind's Eye

I want you but never when you call me  
But you're always right there in my phone  
And no matter what you'll always haunt me  
Temptations running through my bones

Am I in love  
With you or the idea of  
You spending the night in my bed  
When I'm with you I'd rather be dead

And I need you but only in the late night  
When nobody is here next to me  
You like that only cause it hurts me  
Oh honey can't you set me free

Am I in love  
With you or the idea of  
You spending the night in my bed  
When I'm with you I'd rather be dead

Oh I need you girl sometimes  
Oh uh  
Da da da da  
Oh yeah

Am I in love  
With you or the idea of  
You spending the night in my bed  
When I'm with you I'd rather be dead
