Really That Easy

Mind's Eye

Is it really that easy to break my heart?
Is it really that easy to pull me apart?
Yeah, you know I've been watching you
And I know all the games you play
And I noticed that you, don't like it
When things aren't your way
I hate to bring you bad news
But baby its time you understand
That I'm trying so hard
But supply is too low for the demand
So baby, I'm asking you
Is it really that easy to break my heart?
Is it really that easy to pull me apart?
You think you're so smart, but you're not the only clever one
You're the type of person, that takes your lovin' on the run
And I'm sorry but I, don't think I can stick around
'Cause I know if I do, this love will be held back
So baby, I'm asking you
Is it really that easy to break my heart?
Is it really that easy to pull me apart?

You think you know everything
How typical for you to blame me
You're telling everyone these things
But they haven't seen what I've seen
No, no
Sorry I don't submit
I can't be who you want me to be
I guess you don't have enough
Because my lovin' comes with a fee
So baby why you asking me

Is it really that easy to break my heart?
Is it really that easy to pull me apart?
