

# Adiós Cariño

Mindy Gledhill

Adiós, cariño  
Goodbye, goodbye to you, my dearest friend  
Adiós, cariño  
For all goodbyes are new beginnings in the end  
Adiós, cariño  
Our paths are sure to cross yet once again  
Adiós, cariño  
Goodbye, goodbye to you, my dearest friend

My heart was heavy as a rock  
But now it's flying free  
My words were lost  
But now they're found  
And all I wanna do is sing

Adiós, cariño  
Goodbye, goodbye to you, my dearest friend  
Adiós, cariño  
For all goodbyes are new beginnings in the end  
Adiós, cariño  
(No volveré)  
Our paths are sure to cross yet once again  
(Te mandaré besitos)  
Adiós, cariño  
(Y volaré)  
Goodbye, goodbye to you, my dearest friend  
(Tal como un pajarito)

It's been so lovely in your arms  
But now it's time to fly  
Like bubbles disappearing  
One by one into a summer sky

What a game  
We built a house of cards  
But I'm no paper doll  
That you can disregard  
It's time to waltz away  
And watch it fall apart  
And like a handkerchief  
I'll wave my paper heart

Adiós, cariño  
(No volveré)  
Goodbye, goodbye to you, my dearest friend  
(Te mandaré besitos)  
Adiós, cariño  
(Y volaré)  
For all goodbyes are new beginnings in the end  
(Tal como un pajarito)  
Adiós, cariño  
(Me voy a ir)  
Our paths are sure to cross yet once again  
(Muy lejos de aquí)  
Adiós, cariño  
(Y cantaré)  
Goodbye, goodbye to you, my dearest friend

(En este cielo infinito)
