

Alien

Minelli

I'm not digging this party
Too much fake on the plate
The conversation's alarming
Everyone sound the same
Bite my tongue like I'm keeping secrets
Cause what I think you don't wanna hear it

I wanna get away, get away
Can someone come and show me how
It's like a maze, like a maze
And I don't think I'm getting out

So I'll be the alien in the room
Da-da-dee-da-doo, da-da-dee-da, da-da-dee-da
I'll be the alien in the room
Da-da-dee-da-doo, da-da-dee-da, da-da-dee-da

I'll be the alien in the room
Yeah, I'm okay with that
Cause I don't know what to do
When people smile like that
I'll find another place to
Call it my own space
Cause I'm okay with me, myself and I
I'll be the alien in the room

Getting tired of parties
Forget faces and names
Fell in love with the party
Planning out an escape
Bite my tongue, I come keeping secrets
Cause what I think you don't wanna hear it

I wanna get away, get away
Can someone come and show me how
It's like a maze, like a maze
And I don't think I'm getting much, so

I'll be the alien in the room
Yeah, I'm okay with that
Cause I don't know what to do
When people smile like that
I'll find another place to
Call it my own space
Cause I'm okay with me, myself and I

I'll be the alien in the room
Da-da-dee-da-doo, da-da-dee-da, da-da-dee-da
I'll be the alien in the room
Da-da-dee-da-doo, da-da-dee-da, da-da-dee-da

I'll be the alien in the room
Yeah, I'm okay with that
Cause I don't know what to do
When people smile like that
I'll find another place to
Call it my own space

Cause I'm okay with me, myself and I
I'll be the alien in the room
I'll be the alien in the room
I'll be the alien in the room
