

All I Need

Minelli

All I need to feel complete
Is love on repeat
All I need to feel complete
Is love on repeat

I, I don't need no water
I don't need no sleep
When you gimme power
You is all I need

I don't, I don't need no water
I don't need no sleep
When you, when you gimme power
You gimme that thing

You gimme that thing
Gimme that thing
You gimme that thing

All I need to feel complete
Is love on repeat
All I need to feel complete
Is love on repeat

I, I don't need no water
I don't need no sleep
When you gimme power
You is all I need

I don't, I don't need no water
I don't need no sleep
When you, when you gimme power
You gimme that thing

You gimme that thing
Gimme that thing
You gimme that thing
