

You broke my heart, I want you back
I want you back, I'm crazy
You broke my heart, I want you back
I want you back

I trusted you but you played me like a fool, yea, he-hee
I trusted you but you played me like a fool, yea, he-hee
Something bout the way you are, oh my, oh my god, oh my
And there's something bout the way you talk, oh my, oh my god

Hey, yea, you broke my heart
But I want you back
Why I want you back? I'm crazy
Hey, yea, you broke my heart
But I want you back
Why I want you back? I'm crazy

I'm crazy

You broke my heart, I want you back
I want you back, I'm crazy

How you break down every rule, yea, he-hee
And I trusted you but you played me like a fool, yea, he-hee
Something bout the way you are, oh my, oh my god, oh my
And there's something bout the way you talk, oh my, oh my god

Hey, yea, you broke my heart
But I want you back
Why I want you back? I'm crazy
Hey, yea, you broke my heart
But I want you back
Why I want you back? I'm crazy

Oh my, oh my god, I'm crazy
Oh my, oh my god
You broke my heart
I want you back
Why I want you back? I'm crazy
