

Don't U Worry

Minelli

Don't you worry 'bout me
I'm happy now, I'm free
Why you care about me

I know what you thinkin'
Baby don't you care about it
I can see it clear, I'm not more blind
Oh my, my, my
You think that I'm sufferin
But I'm fine, don't care about it
'Cause you out, out, out, outta my mind
Oh my, my, my

Don't you worry 'bout me
I'm happy now, I'm free
Why you care about me
Na na na, I got me
Don't worry 'bout me
'Cause I'm happy now, I'm free
I don't need you around me
Na na na, I got me

(Yeah baby, I got me)
(Yeah baby, I got me)

I'm saying goodbye now
Why you, why you care about me?
I don't need your time when I'm alright
Oh my, my, my
You think that I'm sufferin
But I'm fine, don't care about it
You already past for me, I'm done
Oh my, my, my

Don't you worry 'bout me
I'm happy now, I'm free
Why you care about me
Na na na, I got me
Don't worry 'bout me
'Cause I'm happy now, I'm free
I don't need you around me
Na na na, I got me

(Yeah baby, I got me)
(Yeah baby, I got me)

But I will make it clear for you
You're not here in my mind, babe
And I will make it clear for you
You out, out of my mind

Don't you worry 'bout me
I'm happy now, I'm free
Why you care about me
Na na na, I got me
Don't worry 'bout me
'Cause I'm happy now, I'm free

I don't need you around me
Na na na, I got me

(Yeah baby, I got me)
(Yeah baby, I got me)
