

Drinks on MI

Minelli

You don't kno-o-ow what I've been doing
I'm not at ho-o-ome crying for you
You let me go-o-o, you did me a favor

I ain't now here waiting, ye-yeah
I must celebrate it
I'm with my girls at the party
Rocking that body
Looking at him, and he looking at me
Yeah, he looking at me
Ye-yeah, he looking at me
I'm coming in solo
Dipping down lo-low
Doing my thing, spending money me
Yeah, spending money on me
Ye-yeah, spending money on me

Baby you know that I'm gold
You out of time
Left me outside in the cold
You played my mind
I hit my heart out of the tray
It's of to lie
It's of to lie

All you motherfuckers drinks on me, on me
Pouring out the good champagne
Yeah I'll be, I'll be dancing on the floor
Don't bother me, so please
I think you better leave your message at the peep
Cause I'm out, out
I'm busy right now

I'm not, I'm not, I'm not coming over
I'm not, I'm not crying for you no more baby
Thought I told ya I'm not gonna wait around
I-I-I

Stereo-o-o
The bass line is banging
We turning o-o-on
The bottles are slamming
I'm over yo-o-ou
You did me a favour

I ain't now here waiting, ye-yeah
I must celebrate it
I'm with my girls at the party
Rocking that body
Looking at him, and he looking at me
Yeah, he looking at me
