

GET GET DOWN

Minelli

D-d-d-down
Get, get, down
D-d-d-down
Get, get, down
D-d-d-down
(Get, get, down, down, down, down)

I've never seen nobody move the way you do
It's kinda magical, can't take my eyes off you
I'm gonna dance my way to you and make you mine
Oh, I won't hold back in the middle of the night

I'm goin' d-d-d-down
You got caught in my headlights
D-d-d-d-down
I'll show you what it feels like
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down
Down, down, down, down
Down, down, down

I came here to get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down down

D-d-d-down
Get, get down
D-d-d-down
Get, get down
D-d-d-down
Get, get down, down, down, down

We came here to get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

Oh, I can feel it in my heart, we're more than friends
'Cause when the night is over, I'll still hold your hand

Maybe it's kinda soon, but I can see it through
When love is calling, maybe you'll know what to do

I'm goin' d-d-d-down
You got caught in my headlights
D-d-d-d-down
I'll show you what it feels like
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down down
Down, down, down, down
Down, down, down, down, down, down

I came here to get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

We came here to get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down

D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down
D-d-d-d-down
Get, get down, down, down, down
