Hola
Yo me llamo Mariola

Boy I see you staring
You're watching every move
I can see the way you're falling
As I'm coming after you
We can have a drink just to start the night
And I can make you wanting me another night
Boy I see you staring
You're watching every move

Hola
Yo me llamo Mariola

I don't make mistakes
I know what to say
How to get my way
I know what it takes
Come and make me tap out and retire
Tell me, are you brave enough to come put out the fire?

And I say you've been looking for the one
Ohh nanana
No, I'm not afraid to get it done
Ohh nanana
I know what to say
I know how to play
If you don't like it tell me when to stop

I just whisper in your ear, don't be afraid
Cause I'm into you, don't see love like a game
And I'm giving you a chance
Better ask me for a dance
I just whisper in your ear, don't be afraid
