

I Did

Minelli

Baby, I gave you sunrise, I gave you sunsets in between
Did you love me like I did?

Cards on the table, just speak your mind
You can try to run, but there's no place to hide
Try to avoid me, but I hold on the line
Even if it's black, I can turn it to white

Now we're two strangers that search for the light
But we can always be each other's guide

Baby, I gave you sunrise, I gave you sunsets in between
All the love I, I had to give, and all of me
Gave you sunrise, but tell me please before you leave
Did you love me like I did? I did, I did

Ooh
I did, I did, I did
Ooh
I did, I did, I did

All of our memories are turning to trash
It seems so easy for you, baby, don't rush
Just give us another try, bring back my blush
With only one touch, you becoming my crush

Now we're two strangers that search for the light
But we can always be each other's guide

Baby, I gave you sunrise, I gave you sunsets in between
All the love I, I had to give, and all of me
Gave you sunrise, but tell me please before you leave
Did you love me like I did? I did, I did

Gave you sunrise (Ooh)
Did you love me like I did? I did, I did
Gave you sunrise (Ooh)
Did you love me like I did? I did, I did

Baby, I gave you sunrise, I gave you sunsets in between
All the love I, I had to give, and all of me
Gave you sunrise, but tell me please before you leave
Did you love me like I did?
