

My Heart

Minelli

You bring me up
You take me down
You change the rhythm of my heart

You bring me up
You take me down
You break the silence in my heart

My heart, my heart
My heart, my heart
Is begging you to stop
You mess me up
You change the rhythm
Of my heart

These rainy days
Got me dreaming, dreaming away
Got me safe on another night
These rainy days
It's got me dreaming, dreaming away
Got me safe on another night

Girls now we have the special something
But now wish change you
Fading into nothing to nothing

You bring me up
You take me down
You change the rhythm of my heart

You bring me up
You take me down
You break the silence in my heart

My heart, my heart
My heart, my heart
Is begging you to stop
You mess me up
You change the rhythm
Of my heart

Of my heart
Of my heart

No cloudy days
No more fighting and running away
Won't you stay on another night
No yesterday fix the problems coming our away
Won't you stay on another night

Girls now we have the special something
But now wish change you
Fading into nothing, to nothing

You bring me up
You take me down
You change the rhythm of my heart

You bring me up
You take me down
You break the silence in my heart

My heart, my heart
My heart, my heart
Is begging you to stop
You mess me up
You change the rhythm
Of my heart

Of my heart
Of my heart

And I feel we have something
Out of nothing, of nothing
And I feel we have something
Out of nothing, of nothing

You bring me up
You take me down
You change the rhythm of my heart

You bring me up
You take me down
You break the silence in my heart

My heart, my heart
My heart, my heart
Is begging you to stop
You mess me up
You change the rhythm
Of my heart

Of my heart
Of my heart
