Nostalgia

Minelli

All alone with all the voices in my head (In my head)
I should forget you, but I think of you instead (You instead)
Madness in my mind and nothin' is alignin' (Alignin')
I can hear the past so loud

So unforgettable you are
You're so close yet so, so far
Is it love or is it just nostalgia?
Is it love or is it just nostalgia?
Unforgettable

Tell me, how could I get back to who I was
When every part of me is livin' in the past?
Still chaos in my mind and nothin' is alignin'
You've got me goin' round and round

So unforgettable you are
You're so close yet so, so far
Unforgettable you are
You're so close yet so, so far
Is it love or is it just nostalgia?
Is it love or is it just nostalgia?
Unforgettable

Unforgettable you are
Is it love or is it just nostalgia?
Is it love or is it just nostalgia?

Nostalgia
Nostalgia...
Nostalgia...
