# Party

**Minelli**

You know what time it is
It's time to party, yeah

I go out on the weekend, weekend, weekend and I know
It's gon' be fire, I'm warming up, I'm filling my cup
Drink, fill it up, fill it up, fill it up
We gon' rock the club, light it up
When I go out on the weekend, weekend

You know what time it is
It's time to party
You know what time it is
It's time to party
Now drink, fill it up, fill it up, fill it up
We gon' rock the club, light it up
What time it is
It's time to party

Ba-ba-ba ba-ba yeah
