

GummyBear

Mini Mansions

Thought you had the right moves girl
But you, can't feel the beat
(Oh tell me honey)
Ooh, don't you feel it at all?
If you wanted my heart girl
Mama should have made a key
('Cause baby girl)
You know I keep it on lock

Love's no walk in the park girl
So uh, why'd you bring a leash?
(I'll tell ya honey)
Ooh, no I won't be your dog
Boy I thought you was sweet girl
But you're just sugarfree

Oh tell me, baby
Who are you, but my gummy bear?
Tell me baby
Who are you but my gummy bear
Tell me honey
Who are you but my gummy bear

Ooh, I got love for you no-

Starin' up at the ceilin'
'Cause I, just couldn't sleep
(Tell me honey)
Ooh, was I dreamin' too long?
If you wanna play house girl
Well uh, who ya wanna be

'Cause baby tell me
Who are you but my gummy bear
'Cause baby tell me
Who are you but my gummy bear
'Cause baby tell me
Who are you but my gummy bear

A fickle user and a thing of the past
You want my future but my presence won't last
I'm not your puppet though you're pullin' my string
Got so much lovin' but I'm missin' one thing

Oh, I got love for you no more
No I got love for you no more
No I got love for you no more
No I got love for you no more
No I got love for you no more
No I got love for you no more
No I got love for you no more
No I got love for you no more

Baby tell me
Who are you but my gummy bear
(Love for you no more)
'Cause baby tell me

Who are you but my gummy bear
(Love for you no more)
'Cause baby tell me
Who are you but my gummy bear
(Love for you no more)
'Cause baby tell me
Who are you but my gummy bear
(Love for you no more)

Baby tell me
Who are you but my gummy bear
(Love for you no more)
Baby tell me
Who are you but my gummy bear
(Love for you no more)
Baby tell me
Who are you but my gummy bear
(Love for you no more)
Just who are you but my gummy bear
(Love for you no more)

(Love for you no more
Love for you no more)
Baby tell me
Who are you but my gummy bear
(Love for you no more)
Baby tell me
Who are you but my gummy bear
