Mini Mansions

If I promise that I'll be real good you wanna take me out
No touching or feeling anything
If I promise that my hands don't move, you wanna tuck me in
No touching or feeling anything
If I promise that my legs stand still, you wanna run your mouth
No touching or feeling anything
If I promise that my head don't spin, you want a piece of my mind
No touch or feeling

Whatchu two timing for? (Avatar) I'm on my way, I'm alive.
Whatchu two timing for? (Avatar) I'm on my way, I'm alive.

I think you started in my head, but I'd stop anything for you.
If I promise that my nose don't bleed, you wanna cut my chase
No touching or feeling anything
If I promise that our eyes don't lock, you wanna steal my soul
No touching or feeling

Whatchu two timing for? (Avatar) I'm on my way, I'm alive.
Whatchu two timing for? (Avatar) I'm on my way, I'm alive.
Whatchu two timing for? (Avatar) I'm on my way, I'm alive.
Whatchu two timing for? (Avatar) I'm on my way, I'm alive.

I think you started in my head, but I'd stop anything for you.
Fall asleep at the door committing a statutory folklore, you let yourself
Faking out the mall lines, sucking up your cosigns, poster prim
a-don't minds
