

Before You

Miniature Tigers

Before you, before you
Didn't think I would see the light
See the light
Of another day

Before you, before you
Had to fight for a life
For a life
That wasn't mine

Get out of my head, yeah
Get out of my mind
Just wanna leave myself for one night
I'm in prison, I'm in hell
That's how I felt, yeah, that's how I felt
Before you, before you

Before you, before you
Compromise so much until
So much until
I lost myself

Before you, before you
Didn't think I deserved someone
Deserved someone
Someone true

Get out of my head, yeah
Get out of my mind
Just wanna stay with you one more night
If you can't share, then that's fine
I'm in love, no, I lied
Before you, before you, you

Get out of my head, yeah
Get out of my mind
Just wanna leave myself for one night
I'm in prison, I'm in hell
That's how I felt, yeah, that's how I felt
Before you, before you
Before you
Before you
