

Dreaming

Miniature Tigers

These lonely California nights
Staring out at nothing
Without you there's no paradise
I'll see you when I close my eyes

Close my eyes
Close my eyes
Close my eyes
Then I'll be

Dreaming, dreaming, dreaming of you
I can't stand it when you wake me up
Can't find a reason to go on without you
So I'll keep dreaming, dreaming, dreaming of you
Dreaming

Another day I wait in vain
I'm living for tomorrow
There's no heaven, there's no paradise
I'll see you when I close my eyes

Dreaming, dreaming, dreaming of you
I can't stand it when you wake me up
Can't find a reason to go on without you
So I'll keep dreaming, dreaming, dreaming of you
Dreaming

These lonely California nights
Staring out at nothing
Without you there is no paradise
I'll see you when I close my eyes

Dreaming, dreaming, dreaming of you
I can't stand it when you wake me up
Can't find a reason to go on without you
So I'll keep dreaming, dreaming, dreaming of you
Dreaming

Dreaming, dreaming, dreaming of you
I can't stand it when you wake me up
Can't find a reason to go on without you
So I'll keep dreaming, dreaming, dreaming of you
