(I'm out of my mind)
(And it's only over you)
(I'm out of my mind)
(And it's only over you)
(I'm out of my mind)
(And it's only over you)
(I'm out of my mind)

I don't believe in all that superstition (And it's only over you)
I don't believe a word they say (I'm out of my mind)
But when I'm with you, I hear words like forever (And it's only over you)
I feel the own me slip away (I'm out of my mind)
(And it's only over you)
(I'm out of my mind)

I had a vision of a house I used to live in (And it's only over you)
Three relationships ago (I'm out of my mind)
This time it's different because you understand me (And it's only over you)
More than anyone I know (I'm out of my mind)

Oh girl, I could never live without you (And it's only over you)
Believe me, you're just that cool (I'm out of my mind)
Oh baby, I could never face tomorrow (And it's only over you)
With anyone else but you (I'm out of my mind)

Out of my, out of my, out of my mind (And it's only over you)
Out of my, out of my, out of my mind

(And it's only over you)
(I'm out of my mind)
And it's all because of you
(I'm out of my mind)

(Out of my, out of my, out of my mind)
Oh girl, I could never live without you (And it's only over you)
(Out of my, out of my, out of my mind)
Believe me, you're just that cool (I'm out of my mind)
(Out of my, out of my, out of my mind)
Oh baby, I could never face tomorrow (And it's only over you)
(Out of my, out of my, out of my mind)
With anyone else but you

Out of my, out of my, out of my mind
Out of my, out of my, out of my mind
Out of my, out of my, out of my mind
Out of my, out of my, out of my mind
