

Guilty Sunsets II

Miniature Tigers

These lonely California nights
Staring off at nothing
As far as the eye can see
As far as I can see

Guilty sunsets
Like the ones we rode off in
No happy endings for me
Cause I lost you, baby

Guilty sunsets
Like the ones we rode off in
No happy endings for me
Cause I lost you

I was an orphan
Lost in the warmth of your sun
I don't know what that means
But it sounds true enough

Oh, guilty sunsets
Oh, guilty sunsets
Oh, guilty sunsets
Oh, like the ones we rode off in to
Oh, no happy endings
Oh, guilty sunsets
Guilty sunsets
Guilty sunsets

Guilty sunsets
Guilty sunsets
