

## Haunted Pyramid

### Miniature Tigers

Don't let them in they could be hypnotized  
You can't tell from the look because they close your eyes  
And whisper sweet melodies

I can't stay locked inside all day  
When will I leave my pyramid?

Don't go inside because they take your eyes  
And keep you forever 'cause you're paralyzed  
And whisper sweet melodies

I can't stay in this tomb forever  
Please let me leave your pyramid
