

## Pictures of You

### Miniature Tigers

When I got back home  
If you could call it that  
Hanging on my wall  
Is a photograph  
Of another time  
When you were mine  
And we didn't have to wait  
Forever

All I have are pictures of you  
Hanging on my wall  
Hanging on my wall

Late at night can't talk to me and  
Tell me that it's wrong  
Tell me that it's wrong

To be so far away from  
The only one  
I ever loved

All I have are pictures of you

Waking up alone  
On another coast  
In my lonely room  
Faded Polaroids  
Of a better time  
When you were mine  
And we didn't have to wait  
Forever

All I have are pictures of you  
Hanging on my wall
