

Swimming Pool Blues

Miniature Tigers

Your hair grew long in the time I was away
And now you're gone, and now you are gone, I feel your pain
Your eyes are brown like the earth beneath my feet
For when you cry, for when you cry, the swimming pool blues

Haven't been swimming all summer, ooh
Got the swimming pool blues
With my head underwater
So lost and confused
If we swim we can make it, ooh
I want to make it with you
'Cause there's no other way
No way

Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah, yeah

When I first met you, we rushed into a bed
Oh when I left, oh when I left, you're still in my head
My eyes are green like the garden you water
Oh when you go, oh when you go, the swimming pool blues
