

Gryffindor Rally Cry

Ministry of Magic

Today's the big game
The one we've been waiting for
We're ready
We'll represent the house flag of Gryffindor
We've gotta win
The Ravenclaws have got nothing on us
We'll defeat them and not even break a sweat

Now hear me
Today we meet our destiny
All together
Lets do this for Harry

So who are we fighting for?
Gryffindor, givin it all for the red and gold!
And who are we flying for?
Gryffindor, this is battle this is war!
So who are we fighting for?
Gryffindor, we're a force you can't ignore!
And who are we flying for?
Gryffindor, this is battle this is war!

On to the pitch now
Onward and upward
We're weightless
The sky is our home
And they are invaders
Today is ours
Ginny will seek and Ron is the keeper
They're no match for scarlet fury

Now hear me
Today we meet our destiny
All together
Lets do this for Harry

So who are we fighting for?
Gryffindor, givin it all for the red and gold!
And who are we flying for?
Gryffindor, this is battle this is war!
So who are we fighting for?
Gryffindor, we're a force you can't ignore!
And who are we flying for?
Gryffindor, this is battle this is war!
