

House Song

Ministry of Magic

I'm a Ravenclaw
I like to read books
When I cast spells
They're off the frickin' hook

I'm a Gryffindor
I'll fly with my friends
We'll never back down
And fight to the end

I'm a Slytherin
I am very rich
I'll go on a date
With whoever gets the snitch

I'm a Hufflepuff
Just stayin' relaxed
Gimme drinks and friends
No feuds we got tact

[Speaking]

(Slytherin): Ew, who brought the Hufflepuff?

(Hufflepuff): Hey, I'm just trying to have a good time over here.

Have a good time
A good time

I'm a Ravenclaw
I got wit beyond measure
I can catch a snitch
like it's caught up in a tether

I'm a Slytherin
The house of the snake
Come get in my way
And get tossed in the lake

I'm a Gryffindor
And we own the sky
Yeah, we always win
With our rally cry

I'm a Slytherin
The top of my class
If you disagree
I'll kick your Muggle ass

[Speaking]

(Alex): Uh, Alan, do you even know what Harry Potter is?

(Alan): Well, I haven't read the books, but I've seen all the movies!

Let's beat him up
Let's beat him up

I'm a Slytherin
A big fan of Snape
If it's a MoM album

We have to say Snape

I'm a Hufflepuff
We're true to the end.
United we stand
So I'll stand with my friends

I'm a Gryffindor
As brave as the come
And my namesake sword
Will get the job done.

I'm a Ravenclaw
My brain is super fast
Like Sheldon Cooper
But not a total ass.

[Speaking]

(Luke): So who's this Sheldon Cooper guy, anyway, Aaron?

(Aaron): He's from the show The Big Bang Theory.
You're out of the band.

He's no Spock
I don't want to go
