

My Baby

Ministry of Magic

You're so cute,
Your spectacles are square!
And I knew that I loved you
At the beginning of the year

I can't deny
You've got it going on
And I know that my feelings for you cannot be wrong!

Break it down
Farther
Put your hands in the air
Let's do it right here!

Minerva you're my baby!
(OH!)
Minerva you're my baby!
(UH!)
x2
I'm in love

Now you've become
My schoolyear crush
And I keep checking out your office
'Cause I can't get enough
(Yeah, baby, what?)

Summer break
Is too long to be apart
'Cause you're the cure that transfigured
My poor lonely heart!

Minerva you're my baby!
(OH!)
Minerva you're my baby!
(UH!)
x2
I'm in love

I've never been
Just so sure of anything in my whole life
I'm in love
But we're just friends
So I gotta make sure you know why!

Minerva you're my baby!
(OH!)
Minerva you're my baby!
(UH!)
x2
I'm in love

Minerva
I'm in love
Minerva

You're so cute

I can't deny

I'm in love

(And I know that my feelings for you cannot be wrong)

I'm in love

I'm in love

Minerva, I'm in love

Minerva, I'm in love
