

## T.V. Song

Ministry

Tell me something I don't know  
Show me something I can't use  
Push the button  
Connect the goddamned dots  
Live-in thief in my bedroom bathroom  
Commodity sodomy glass autonomy  
Promise everything take it all away

Give it a rest  
You're lying through your teeth  
You're lying through your teeth  
Who what which why who  
When did you say the earth would stop turning?  
Why did you say we would all start burning?

When should I make a pledge?  
Should I listen to the voices in my head?  
Connect the goddamned dots  
Connect the goddamned dots  
Who am I trying to impress?  
Who could care less?
