

# Gettin' It On

## Mint Condition

Gettin' it on, gettin' it on, oh baby

Oh, I like it, when I'm deep inside of you  
You sigh 'cause you feel the same way  
Too excited, when I touch you there  
Let the love take control  
Of mind, body and soul, yeah

Gettin' it on, gettin' it on  
A feeling that's good just can't be wrong  
Gettin' it on, gettin' it on  
Gettin' it on with my baby

Gettin' it on, gettin' it on  
Me and you just can't be wrong  
Gettin' it on, gettin' it on  
Girl you drive me crazy

If you like, I just might go down for you  
Kissing, all over your toes 'til  
Ooo, you know from pleasures never known before  
Just relax, I'll do the things that keeps you coming  
Coming back, yeah

Gettin' it on, gettin' it on  
A feeling that's good just can't be wrong  
Gettin' it on, gettin' it on  
Gettin' it on with my baby

Gettin' it on, gettin' it on  
Me and you just can't be wrong  
Gettin' it on, gettin' it on  
Girl you drive me crazy

Girl you got me high from every time you ride  
Me around and round, around in you heart, yeah  
You're my living one, deep as any ocean  
When or wherever we are, I'll just love it when

Gettin' it on, gettin' it on  
A feeling that's good just can't be wrong  
Gettin' it on, gettin' it on
