

# I Want It Again

Mint Condition

You know it's been so long  
Since we've played hide and seek  
You know I've never played  
That way  
Kind of freaky

Sexy curiosity went to our heads  
We were both curious like a cat  
So we both had a sexy death  
Hey

Ooops  
Head on body collision  
Don't even think about body division  
Ever since you showed me this feeling  
I want it inside  
Of every evenin

I know its been along time  
But if you don't mind  
Give me a sign  
So I ain't outta line  
I gotta tell you my friend

I want it again  
Again and again  
I want it again  
Again and again

You've got me shook (You've got me whooped)  
Severely whooped (severely hooked)  
You've got me whooped (severely shooked)  
Severely shooked

It's real simple  
Popped like a pimple  
You know we had a good time  
And ever since it's been on my mind  
I merely wanna lay you down  
Then roll around the town  
Just never told you how I really feel  
So here's the deal
