

Somethin'

Mint Condition

How you doin'? How you been? Did you ever get to hook with your friend?

Cause it looked to me.. that she was a he..but I'm sure she probably stood you up again.

From the car he drives, he must be rich. I understand you being attracted to it...

You say it's business, & just a friend, but how come you disappeared for the whole weekend?

You do things like I used to do, staying out till 3 or 2
No one know's where you are but you, you can do what you wanna do

You're somethin'...I think your'e somethin'

If you're into him, for the dough...I ain't gonna knock you tryin' to hustle.

But if you're that girl, who trades her body, for a free flight girl I gotta go...

All the sudden, you turn around...and serious is what you wanna be now..

Well you can't be my lady, and still be out there dating..
Girl that's just not the way that I get down....
