Mint Royale

Na Man

They lie yall

Your sight

Blood type

Here comes my boys, Plug 3 and 2,
My names Plug 1, I'm here to do
the job that you respect of me
that ties the rap to open eyes daily, to
know how, supervision, the incision
of a song that cut a smile across your face for life,
somtimes the body needs to feel stressed to appreciate
the joy.

Here comes my boys, Plug 3 and 2
My names Plug 1, had a third son, here to do,
lets move the heart sort out the light load
In our desire to be famed.
De La open eyes to know how
song that cut a smile across your face for life,
well keep your arms raised
listen to this track for long
That i, choced full of soul.

Ayo
Give it up, your not in
shame to play against my men
keep longs to blow just like
gabrielles done in your sight
move the heart to every blood type
through the guards in every blood fight
after war, pass peace pipe
Ask forgiveness, cease rights.

Down a stack, c'mon man c'mon c'mon
right the stack.
