

The Effect on Me

Mint Royale

I never ever thought I'd live to see the day
That I'd be running after a man this way
Baby you don't know the effect you have on me
You've got my mind all twisted and I can't wiggle free

I never ever thought I'd live to see the day
That I'd be running after a man this way
Baby you don't know the effect you have on me
You've got my mind all twisted and I can't wiggle free

Baby you don't know the effect you have on me
You've got my mind all twisted and I can't wiggle free
And I swear I won't leave.
