

# Courage

Minutemen

Where's your courage?  
Are you afraid to die?  
Are you happy that God is on your side?

I wrote this song in a story of men who died for glory

Where's your courage?  
Do you think you're alone?  
Are you laughing for being blind and pure?

I wrote this song in a story of men who died for glory

Where's your courage?  
Do you share all you have?  
Are you hiding from something you don't know?  
Where's your courage?
