

Where did you come from Eliza?
Eliza, where did you come from and where did you go?
Been wandering lonesome, Eliza
Eliza, and out of that darkness you led me back home

Where did you come from Eliza?
Blinded and cold, moaning alone,
Begging you please, Eliza don't leave

Where did you come from Eliza?
Eliza, where did you come from and where did you go?
Been wandering lonesome, Eliza
Eliza, and out of that darkness you led me back home

Where did you come from Eliza?
Blinded and cold, moaning alone,
Begging you please, Eliza don't leave

Have you ever felt lost and alone
Even in your own skin?
Feels like I lost a friend
Have you ever forgotten the feeling
Of love and affection?
You were my connection, Eliza
Eliza, Eliza

Where did you come from Eliza?
Eliza, where did you come from and where did you go?
Been wandering lonesome, Eliza
Eliza, and out of that darkness you led me back home
