

Goodbye Black Ops

Miracle Of Sound

It's been a year since I first loaded up my Aug with
dual mags
And watched a million penis emblems spring up next to
gamertags
It's been a rocky road, one headset and controller have
been lost
Had fun sometimes but I'm not sure if it was worth the
cost..
Now it's time to say..

Goodbye Nuketown spawnkills, goodbye hit detection
rants
Goodbye Ghille suits in corners, goodbye goddamn Second
Chance
Sure I'll see you sometimes when I rage at Modern
Warfare 3
But for now, Black Ops, it's adios, goodbye, farewell
from me
Goodbye..

You made me rage harder than anything that ever came
before
Made me want to punch stuff even when I got a decent
score
Got shot around so many corners, so sick of all the lag
Sick of bringing guns to knife fights and nobody
capping flags
Now it's time to say..

Goodbye Nuketown spawnkills, goodbye hit detection
rants
Goodbye Ghille suits in corners, goodbye goddamn Second
Chance
Sure I'll see you sometimes when I rage at Modern
Warfare 3
But for now, Black Ops, it's adios, goodbye, farewell
from me
Goodbye..

But we still had a lot of fun - please don't think this
comes from hate
We bitch because we like you and we want you to be
great!

So goodbye Nuketown spawnkills, goodbye hit detection
rants..
Goodbye Ghille suits in corners, goodbye goddamn Second
Chance..

Goodbye Nuketown spawnkills, goodbye hit detection
rants
Goodbye Ghille suits in corners, goodbye goddamn Second
Chance
Sure I'll see you sometimes when I rage at Modern
Warfare 3
But for now, Black Ops, it's adios, goodbye, farewell
from me

Goodbye..
