

Rebirth

Miracle Of Sound

I am rebirth
I am the tear in the ties
Wake me when I die again
I am rebirth
Cycle of spirit denied
Get back up and try again

Mark of the blade
Mercy on a fiery field
Fostered in the honour
Of the oldest codes
Painting the stains
Out across the centuries
Blood upon the banners
Where the waters flow

Blades spark
Grounding and growth
Stray stark
Flaws in the oaths for

I am rebirth
I am the tear in the ties
Wake me when I die again
I am rebirth
Cycle of spirit denied
Get back up and try again

Reap the eternal from the mind
Take the memory
Cast all the suffering aside
To enlighten me
Reap the eternal from the mind
See the water fall
Cast all the suffering aside
Lest it cover all

Sever the ties
Purge another parasite
Cursed are the spirits
Of the permanent
Never denied
Order in the acolytes
Truths in mortal codes
Are ever turbulent

Blades spark
Break or betray
Stray stark
Friends fade away for

I am rebirth
I am the tear in the ties
Wake me when I die again
I am rebirth
Cycle of spirit denied
Get back up and try again

Lotus bloom and breathe
Mortal wounding

Reap the eternal from the mind
Take the memory
Cast all the suffering aside
To enlighten me
Reap the eternal from the mind
See the water fall
Cast all the suffering aside
Lest it cover all

I am rebirth
I am the tear in the ties
Wake me when I die again
Rise from the earth
Cycle of spirit denied
Get back up and try again

True potential waits
