

# Firefly

Mirah

Don't let me teach you how to fight  
Boys are just boys when they learn to lie  
Just like you  
Can't believe I'm here  
Just like you  
I'm so sincere

Disappear my firefly  
I still wear your sweater  
Hope you'll wear mine  
Look for you  
Through the trees  
Shine your light  
I promise  
This time  
I'll be sweet

Grateful when you talk to me  
With your voice so kind and your heart so sweet  
I see you and the tears this brings  
Guess it's hard to hide the real thing

Disappear my firefly  
I'll still wear your sweater  
Hope you'll wear mine  
Look for you  
Through the trees  
Shine your light  
I promise  
This time  
I'll be sweet

Just look at this  
Let's not pretend  
No secrets now  
No secrets then  
You can choose the path you'll take  
And I will do my best to wait

Disappear my firefly  
I still wear your sweater  
Hope you wear mine  
Look for you  
Through the trees  
Shine your light  
I promise  
This time  
I'll be sweet

My firefly  
I still wear your sweater  
Hope you'll wear mine

My firefly

Disappear my firefly  
I still wear your sweater

Hope you wear mine  
Look for you  
Through the trees  
Shine your light  
I promise  
This time  
I'll be sweet

My firefly  
I still wear your sweater  
Won't you wear mine?  
My firefly?  
My firefly
