

I'm Alive

Mirah

(Breakout Compilation)

I'm the last one here by now
I'm the last one
Let's go see how it turns out
Burned and crashed one

I'm alive
I'm alive
I'm alive
I'm alive

Just as soon as they come down
Gonna touch one
Breaking into everything
Pull a fast one

I'm alive
I'm alive
I'm alive
I'm alive

I'm alive
I'm alive
I'm alive
I'm alive
