

## In Love

Mirah

I can't do a thing today  
I can't see anyway  
I haven't eaten all day

In love, in love is so, so tough  
On my, on my emotion

I can't listen to what you say  
I can't understand you anyway  
I haven't spoken all day

In love, in love is so, so tough  
On my, on my emotion

Feeling good, feeling bad  
Feeling happy, feeling sad  
I'm so happy, happy sad

In love, in love is so, so tough  
On my, on my emotion  
In love, in love is so, so tough  
On my, on my emotion

I don't need your feelings (I don't need your feelings)  
I don't need your feelings (I do not need you)  
I don't need your feelings (I don't need your feelings, you do not need me)  
I don't need your feelings (I don't need your feelings, I do not need you, I don't)  
I don't need your feelings (your feelings, I don't even need you, I don't)  
I don't need your feelings (I don't need your feelings, I do not need you)  
I don't need your feelings
